Allocation of lessons and programs

1. Fixed lesson times are extremely limited and are allocated primarily to senior music students, then on a first-come, first-served basis. When fixed lesson times are not available, Individual (Rotational) lessons will be allocated.
2. Students may be invited to be part of the Ensemble program.

- I understand and agree to all of the conditions of enrolment as set out in the Performing Arts Handbook and agree to pay all applicable tuition fees.
- Students are responsible for taking care of their instruments. The school's insurance policy does not cover instruments, so it is highly recommended that parents register the instrument with their insurance provider.
- On the day of Instrumental Lessons, instruments are to be kept in the secure area provided in the Performing Arts Centre and must be picked up by the student at the end of the day.
- Reasonable care must be taken against the instrument being lost or stolen. If an instrument is lost, it should be reported to the Director of Performing Arts immediately.
- Parents are responsible for the hire, repair and return of instruments.
