5 Ls of LEARNING

Learner Centred Learning

To promote learning that is navigated and directed by the individual, enabling them to take ownership, explore, discover and make choice.

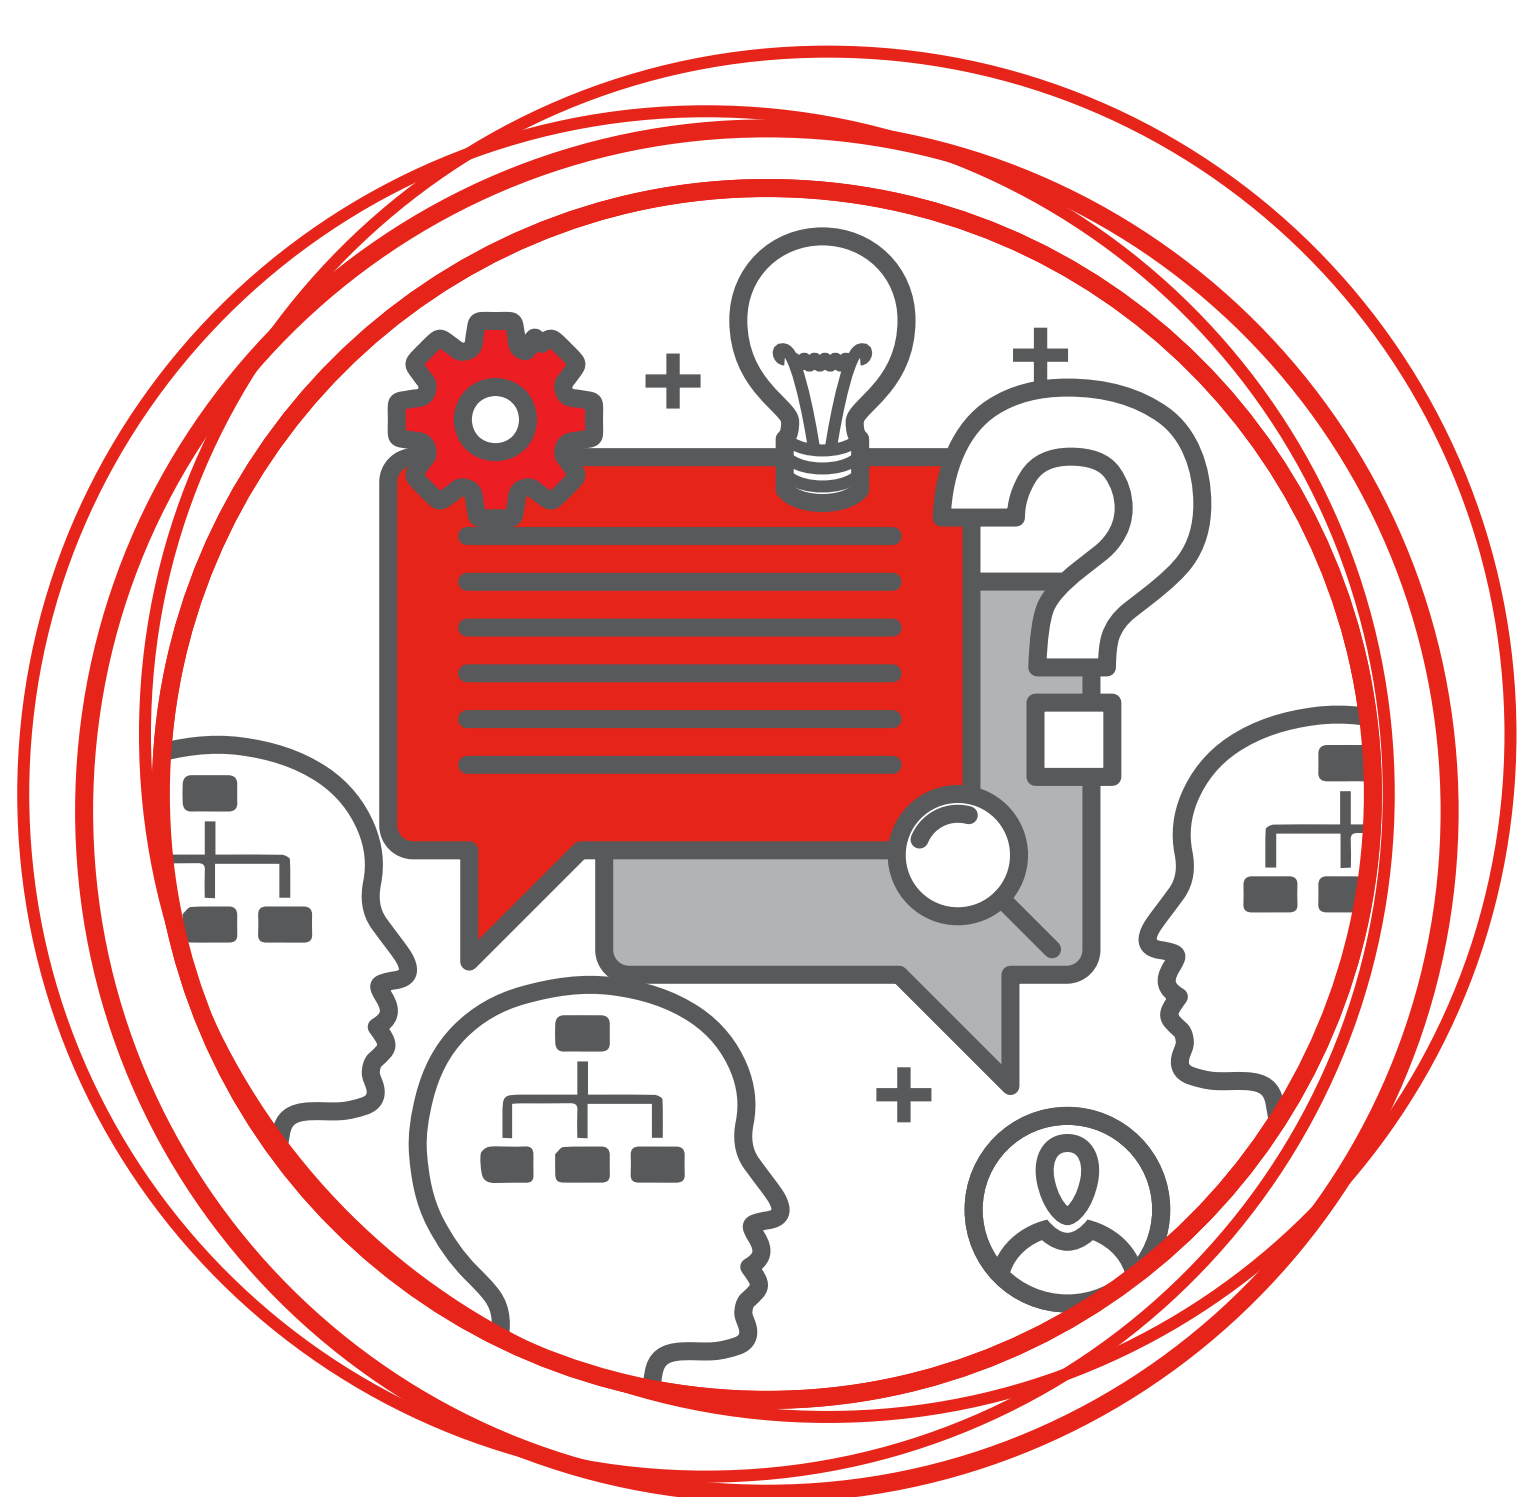

Learning Partnerships

To foster strong learning relationships built on a foundation of trust, mutual respect, inclusion, shared values and a collective strategic focus.

Literacies for the World

To build within each learner contemporary literacies that enable them to be active citizens and leaders of the future.

Learning Experience, Environment & Engagement

To provide meaningful and contemporary learning experiences/ environments that ignite a passion and thirst for learning and replicate the real world.

Learning Practice

To engage in contemporary learning and teaching practice that is underpinned by high expectations and shared values, celebrates achievement, and is 'tailor made' to suit the needs and interests of each individual, closing identified gaps.

Establishing a strong learning culture...
